

**ANN ARBOR CHARTER TOWNSHIP  
PLANNING COMMISSION  
NOTICE OF PUBLIC HEARINGS**

Ann Arbor Township Planning Commission will hold two **PUBLIC HEARINGS** at 7:30 p.m. on **Wednesday, August 6** at the Ann Arbor Township Hall, 3792 Pontiac Trail, Ann Arbor, MI to consider applications filed by NOVA Consultants on behalf of DTE Electric Company for parcels I-09-11-100-004 & I-09-11-100-009 owned by D.F. Land Development and located at 3670 Warren Road, in order to install an array of solar panels. The public hearings pertain to:

- A **Conditional Use Permit** is needed to install an array of solar panels, a conditional land use for the property which is zoned A-1 General Agriculture.
- A **Wetlands Permit** application, filed jointly with Michigan Department of Environmental Quality is needed, as the proposed access drive to the solar panel array will transect wetland areas in four locations.

The applications and materials are available for review or purchase at Ann Arbor Township Hall, 3792 Pontiac Trail, Ann Arbor, MI 48105, Monday through Friday, 8:30 a.m. - 4:30 p.m. Written or emailed comments ([icollins@aatwp.org](mailto:icollins@aatwp.org)) may be submitted to the Township before 12:00 p.m. on the day of the meeting. All interested parties are invited to attend and express their views.
